J. A. Talmage & Co., 239 Main street, have just received a large invoice of the beautiful Burmese ware, direct from the factory. A short time ago the manager of the Mount Washington Glass works, of New Benford, Mass, being in London on business, presented several articles of this ware, manufactured at his works, to Queen Victoria. She was so much pleased that she at once ordered a tea set of fifty pieces of the same kind. Every piece is of ennary color at the bottom and shading into Saimon at the edge. The decorations are varied, some pieces being covered with painted vine tracing, others with leaves and flowers formed of minute gold and glass beads, and others with gold relief work.
